MERIDIAN LIBRARY DISTRICT**

# **ORCHARD PARK CHAPTER**

Support your future neighborhood library by joining the new Orchard Park Chapter of the Friends of the Meridian Library District!

The Friends of MLD is a nonprofit, all-volunteer organization that supports the library through outreach and fundraising events such as used book sales. We are seeking dedicated volunteers at every level to grow and shape this new chapter and build support for the Orchard Park library, expected to open in early 2022.
